# #FoT807: Demon Gods of Technigica

In some locations in Technigica, "demon gods" are complicated entities that are in the demonic world but can acquire the characteristics of Cognitive Technigics in the basic world.
They are not as powerful as "pure gods," but they still possess a generally terrifying enough supernatural ability.

# #FoT807: テクニジカの魔神

一部のテクニジカにおける「魔神」は、実体は魔界にありつつ基界《きかい》において認知的技法《Cognitive　Technigics》の特性を獲得するというややこしい存在を指す。
「純粋な神」ほどの偉力があるわけではないが、それでも総じて強力な超自然性を備えている。
