

## #FoT798: The Land of Copied Paper

A mysterious land found by Ozakefu at Technigica No.434. It has the property of making a "flat" reproduction of a multidimensional landscape somewhere appear before the eyes of each individual visitor here.

Category: Locations

Attribute: All

Location: T-No.434 / The No-Footing Area / The Vision-Bounds 【434-NFA-213661】

Appendix: Report of observations by Ozakefu ▶ The "landscape" could only be seen from one specific point of view, no matter where one tried to look. In addition, although he/she was able to perceive it through senses other than sight, such as hearing and smell, he/she had the impression that it was "flat and flat."

## #FoT798: 写し紙の土地

オーザケフが434番テクニジカにて見つけた不可思議な土地。  
「平面的に」再現された多数次元のどこかの景色を、来訪者個々人の眼前に出現させるという性質を持つ。

Category: 場所。

Attribute: すべて

Location: T/b.434/禁足地/ヴィジョン・バウンド【434+FA-213661】

Appendix: オーザケフによる観察報告 ▶ その「景色」は「どこから見ようとしても特定の一か所の視点からしか見ることができない」ものだった。また一応、聴覚、嗅覚などの視覚以外でも知覚することができたが、どの感覚からしても「ひたすらに平面的」という印象を受けた。
