No.835:"A Mountain God"

This is a fictional portrait of a "mountain god" passed down in a region of the World Technigica.

I/we thought it could be used as a Halloween costume motif... but what do?

Category: Fictitious Portraits

Attribute: Unknown / Although it is called a god, there was some doubt as to whether it was really a theological being as far as the information we covered locally was concerned.

Location: T-No.242 / Details Unknown [244-\*\*\*]

No.835:"山神"

これはテクニジカのある地域で伝承されていた"山神"の架空肖像。 ハロウィンの仮装モチーフにできそうな気がしたけど…どうだろうか?

類別: 架空の肖像

属性: 不明/神と呼ばれてこそいるが、地元で取材した情報の限りでは本当に神学的存在なのかどうか怪しいところがあった。

場所: T-No.242/委細不明【242-\*\*\*】
