No.837: The Eyes' Position

In depicting people such as Ozakefu, the positioning of the "eyes" is something that us ually does not go well, even though I pay particular attention to it. It's soooo annoying how the slight shift can totally change the impression!

Category: About Us

Attribute: C.R.O.S.

Location: T-No.242 / Garden Heights Wokami [242-GhWo-\*\*\*]

Appendix: Also, the description of the eyes shape is quite troubling for what it is.
