A ghostly three-legged fairy who inhabits trees that often hold the Color Fog of "Oppo site."

From an organ on the back of its head that has been transformed from wings, it emits tiny particles that levitate people's consciousness in an anti-law-like manner.

“反对”の色彩霧をよく宿した樹木に棲みつくおばけのような三本足の妖精。
後頭部の「羽」が変じた器官から、反法則的にひとの意識を浮かせる微粒を放出する。
