

#FoT-467:座られたがる椅子／A Chair That Wants to Be Sat by Somebody

<Translated 16/Oct/2021>

[illegible]

A magical chair that wants to force people to sit on it.
It's hard to teach the chair that "if you try too hard to force someone to sit in you, no one will want to sit down," and the lesson seems to be quickly forgotten.

ひとを座らせたがる魔学的な椅子。
「無理矢理自らに座らせようと躍起になりすぎると、誰も座りたなくなる」ということを教え込むのは一苦労だし、教わったことはすぐに忘れてしまうようだ。
