

#FoT-478:損壊予定通告天使／Fated Damage Notification Angels

<Translated 27/Oct/2021>

They're angels who visualize the near-future serious damage to objects (mainly equipment) pointed out by the client by transforming themselves.

The transformed figure is what points out the vulnerable parts of the object, and if the parts are successfully repaired, the transformed figure becomes an almost perfect replica of the object.

依頼人が指し示したもの(主に器物)の近い未来における重大な損壊を、自らの変身を以て可視化する天使。この変身像は対象物の脆弱な箇所を簡易的に指し示しており、その箇所を上手く修繕していったならば、変身像も対象物に瓜二つな破綻のない姿と成っていく。
