[illegible]

The 4 things are: "perspective (Have multiple perspectives)," "respect (Respect without distinction, but in parts)," "adaptation (Don't deliberately borrow the deepest parts of other personality and philosophy when you adapt)," and "past (Don't get stuck in the past, use with past for the future)."

According to Ozakefu, these are not things that one should have all the time, but they r
reinforce the 6 things that braves should have (#FoT491), and prevent a person from t
urning into a fool.

「perspective(視点を多角的に持つべし)」「respect(尊敬は分け隔てなく、そして部分的であるべし)」「adaptation(改作する際に個性や哲学性等、深奥たる部分を故意に拝借する様なことなかれ)」「past(過去に囚われることなかれ、未来のために過去を扱え)」の4項目。

オーザケフ曰く、これらは常に持つべきものではないが、勇者の持つべき6項目(#FoT491)を補強し、そのひとが愚者に転じるのを防止してくれるのだそうだ。
