

#FoT-086:布の悪魔／Cloth Devil

<Translated 30/Sep/2020>

This is a cloth-like demon with almost no reason and obedience to the species-specific instinct.

Its instinct is to wrap up a person and keep showing a fascinating dream until the person is completely corrupted.

理性がほぼなく、種特有の本能に従順な性質を持つ布状の悪魔。
その本能とはひとを包み込み、その者が堕落しきるまで魅力的な夢景色を見せつづけることである。
