This statue is said to have been erected on the Earth of Technigica No.242, around the time of the transition from the period of confusion caused by the appearance of the R eesia to the period of peace.

The statue depicts people who have turned into horse-like monsters, and we look like t
o have been maintained / managed with a level of care to make us feel sarcastic.

テクニジカ 242 号の地球にて、裏州《リージア》出現による混乱期から泰平期に移り変わるあたりの時期に建てられたとされる銅像。

馬のような怪物と化したひとびとが表わされており、嫌味ったらしいほどマメで行き届いた維持／管理がなされている様子。
