”Mertes” is a very small giant (compared to other giants) that appears in the lore of the giant race.
However, he has a beautiful singing voice that resonates far and wide, and it has been said in the lore his name was well known even to those who had never seen him in pers on.

「メルテス」は巨人族の伝承のなかに登場する（他の巨人と比較するならば）とても身の丈の小さな巨人である。ただし遥か遠くにまで響く美しい歌声を持っており、メルテスを直に見たことがない者にも、その名は知れ渡ったと伝えられている。
