

#FoT-379:火鳥術／Fire Birds Art

<Translated 20/Jul/2021>

NN>

It's an things search technique «technigix» that creates otherworldly fire in the form of birds.

The fire released has no physical heat, but gives the target of the search a scorch that can only be perceived by the user.

鳥の形をした異界の火を生みだす事象搜索術。

放たれた火は物理的な熱を持たないが、術者にのみ知覚できる焦げ目を搜索対象に与える。
