<Translated 20/Aug/2021>

This is the figure of a pirate king who ruled a vast sea area with fear by skillfully handling the techniques «technigixes» of "Anti". However, it's said that although he was able to "skillfully handle" it, he was never able to "completely dominate" it.

「背反」の技法術《テクニジックス》を巧みに扱い、広大な海域を恐怖で統治した海賊王の姿。ただ「巧みに扱う」ことはできても「完全に支配する」ことは、遂にできなかったと聞く。
