

#FoT-448:狼型の髪型／Wolf-Type Hairstyle

<Translated 27/Sep/2021>

In fact, Ozakefu seems to have some ideas about the hairstyle of the wolf-type (especially the bangs) and he still makes minor adjustments quite often. He/she still tweaks his/her hairstyle quite often, and every time he does, I have to "translate" it as well, which is a bit annoying to be honest.

オーザケフは実は狼型の時の髪型(特に前髪)に思う所がある様で、未だに結構頻繁に微調整を加えている。その度にこちらも合わせて「翻訳」しなければならないので、ぶっちゃけ少し煩瑣である。
